

## *ONGA Pump with Strainer/Filter*

v1.0

***It is recommended that all Onga Re-circulation pumps be ordered with an In-Line Strainer (Filter) to prolong the life of the pump, as shown below.***

Pump	In-Line Strainer (Filter)	Size
Onga 413	RV ILS-1-T20E	1"
Onga 414	RV ILS-1 1/4-T20E	1 1/4"
Onga 415	RV ILS-1 1/4-T20E	1 1/4"
Onga 417	RV ILS-1-T20E	1"

***A Maintenance Spares kit is also available for the ONGA pumps, which includes the Shaft Sleeve, Sleeve O-ring, Main Casing O-ring, & two shaft seals.  
(P/N ONGA 800582K)***

***Please contact CWC for more details.***
