

## *ppm Dosing Pumps*

v1.0

**Program your desired ppm - 'MF' Series pumps do the rest**

### *Other features include:*

- Alarm outputs
- mA / Voltage / Pulse Input
- Proof of Chemical Delivery with optional flow sensor
- De-gassing Models

### **Simple Setup:**

- After initial setup, enter the desired chemical ppm
- When the water meter flow rate varies, the pump automatically adjusts the dose rate to the desired ppm
